

Global Innovation Field Trip Photographic, Social Media & Video CONSENT FORM

Innovation World and their partner organizations will be known going forward in this Consent Form as The Global Innovation Field Trip.

If I am registering myself, I confirm that I am 18 years old or older and I affirm that by completing this registration, I am giving The Global Innovation Field Trip the absolute right and permission for the use of my image and voice captured as part of these organized activities to be used by an authorized person acting for an authorized purpose of the aforementioned organizations on various print, broadcast and online platforms, including, but not limited to newspapers, television, radio, educational and news related websites, promotional literature and social media.

If I am registering a child under 18 years old, I confirm that that I am the parent and/or legal guardian of that child and I affirm that by completing this registration, I am giving The Global Innovation Field Trip the absolute right and permission for the use of that child's image and voice captured as part of these organized activities to be used by an authorized person acting for an authorized purpose of the aforementioned organizations on various print, broadcast and online platforms, including, but not limited to newspapers, television, radio, educational and news related websites, promotional literature and social media.

I agree that The Global Innovation Field Trip cannot accept responsibility for how the images, data or media recorded by third party organizations is used. I will not hold The Global Innovation Field Trip responsible for any deemed breeches in confidentiality or privacy that may arise as a consequence of recordings and/or posts made by any of these organizations.
