

# YOUR PATH TO THE NATIONAL INNOVATOR CHALLENGE STARTS HERE!

Create, Innovate, and Qualify to Compete on a National Stage.

## HOW TO QUALIFY FOR NIC:

Students can qualify for the National Innovator Challenge through:

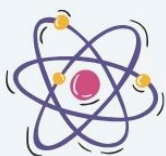

- **Partner Programs:** Participate through the Ohio Innovation Challenge (<https://innovationworld.org/ohio-innovation-challenge/>).
- **Independent Innovator Challenge:** No partner program? No problem! Compete as an independent innovator.

## KEY STEPS FOR STUDENTS:

1. **Join the Ohio Innovation Challenge:** This partner program is your pathway to the NIC!
2. **Develop and test your innovation** (app, prototype, process, or social good project).
3. **Pitch your innovation** and compete for a chance to showcase it at Nationals!

The place where innovators share, compete, and celebrate their solutions.
